PETITION FOR RULE-MAKING

Comes now BD, Inc. (BD), Licensee of FM radio station KFBD, Waynesville, Missouri, currently authorized to operate on FM Channel 249A, subject to rule making 7761, MM Docket No. 91-229, and FM construction permit BMPH 920513JO, by which channel 250A will be substituted, now petitions the Commission to make the following change in the allocation at Waynesville, Missouri, resulting in a substitution of channel 250C3 for 250A. This will provide the first wide-area service to Waynesville, Missouri and the surrounding area. The proposed channel can be make in full compliance with the FM spacing rules using a theoretical co-ordinates of N. 37 57 45, W. 92 17 00, as the reference point, allowing city grade coverage to more than adequately cover the city of license, with no conflicts of any existing or proposed facilities. See exhibit A and B attached hereto.

This channel substitution can be made in total conformity with the Commissions FM technical rules and without any need to displace any other station.

BD respectfully request that the Commission issue a Report and Order changing the Table of Allotments as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Waynesville, Mo.	250A, 272A	250C3, 272A

BD intends that, if the Commission amends the FM Table of Allotments as requested herein, BD will promptly file an application for construction permit for Channel 250C3 at Waynesville, Missouri. If granted, BD intends to promptly construct, and place into operation, and seek a covering license for its Waynesville facility.

By my signature below, I verify under penalty of perjury that the information provided in this petition for rulemaking is true and correct to the best of my knowledge.

Respectfully Submitted,
